Join the 3rd Annual Habitat Build-a-Thon!

We have an affordable housing crisis in King County and this must change! *Lead the way.*

BUILDATHON

the excitement is building

THE BUILD-A-THON is a fundraiser to benefit Habitat for Humanity. Volunteer and engage friends and family in sponsoring your volunteer hours to raise money to help eradicate substandard housing. All are welcome, no construction skills necessary.

Who: YOU! In just a few minutes (registering is easy) you have the power to CHANGE LIVES!

What: Sign up for a volunteer shift with Habitat and ask friends and family to sponsor your hours by donating to Habitat through your personal fundraising webpage. It's easy! If 10 of your friends or colleagues gave just $25 each, you would raise $250 for Habitat homeowners!

Where: Habitat construction sites throughout King County.

When: Habitat for Humanity Seattle/South King County September 27 – October 2, 2011
Habitat for Humanity East King County October 4 – 8, 2011
8:30 am – 4:00 pm ●OR● contact your affiliate to schedule an alternative shift.

How: Register today! Visit www.habitat-buildathon.org for complete event details.
There are many ways to participate…

- Work during the Build-a-Thon at a construction site or as event support!
- Be a Crew Captain! Challenge your friends to participate in the Build-a-Thon and set a team fundraising goal!
- Sign up and fundraise! No extra time? That's ok! Habitat provides examples and tips!
